

STOP THE FEDERAL TOBACCO PRODUCTS BAN TODAY

- Right now, Congress is considering a ban on the sale of flavored tobacco products and e-cigarettes, including menthol, mint and wintergreen.
- RAI TMS is committed to providing responsible trade partners with information and resources to stop this legislation, called H.R. 2339.
- We need you to act TODAY and let Congress know how H.R. 2339 could impact your business and employees.

TAKE ACTION TODAY:

- 1 Contact your member of Congress by texting **TRADE** to 444-999.
- 2 Download and share this flyer with your employees and other supply chain partners.
